

They arrive in Calcutta at 7 o'clock in the morning.

The ship to Hong Kong leaves at 12 o'clock.

And in Hong Kong ...

Please go to the ship *Carnatic*. Buy three tickets to Yokohama. We will travel tomorrow.

But Passepartout and Detective Fix become friends. They visit the city together. Passepartout forgets to buy the tickets for the *Carnatic*.

And the next day ...

That's strange! Where's Passepartout and the tickets? Where's the *Carnatic*?

The *Carnatic* sailed yesterday. But I can take you to Yokohama in my ship. From Yokohama you can take a ship to San Francisco. Can you pay me?

Yes, of course I can pay you. We must sail without Passepartout.

Suddenly Detective Fix appears.

I am going to Yokohama, too. Can I go with you?

Yes, of course.

Phileas Fogg arrives in Liverpool at 11.40 on 21st December.
At 11.41 Detective Fix touches Mr Fogg's shoulder.

Suddenly the door opens.

Mr Fogg!!!

Yes. Here I am. I'm the winner! I travelled the world in 80 days. I claim my £20,000.

And on 23rd December
Phileas Fogg marries Aouda.
They are very happy.
